GETTING TO KNOW YOUR CHILD

Does your child attend, or have they previously attended a childcare, pre-school or other early learning service? If so, provide details.

What interests does your child have and when do you find that they engage best (such as, with a particular item or activity?)

What do you feel are your child's areas of strength and where do you see them requiring extension?

Is there anything that upsets your child or causes them to feel fear (such as painted faces, dogs, spiders etc?)

What goals would you like your child to achieve at Up, Up, 'n Away?

By ticking this box and signing below, I allow for photos of my child to be taken, kept and possibly used on social media and the termly newsletter.
